**Ganesha**, who, by the way, is also called Ganapati, combines two seemingly contradictory aspects: on the one hand, wisdom and spirituality, and on the other, enjoyment and joy of living. Approaching new things with a full heart. Obstacles, for example in new beginnings, projects, phases of life, etc. can be cleared out of the way by reciting the Ganesha Mantra. Blockades can be solved.

**Om** = Primal sound of the cosmos, **Gam** = Seed sound for Ganesha respectively his energies  
**Share Nam** = I take refuge in you. **Namaha** = „so be it“
